INDOOR TRAINING/COMPETITION PROCEEDURES

Arrival at the facility/field:

- All training sessions/events will adhere to facility capacity limits as specified by facility management.
- Children and parents must wear face coverings at all times while inside the facility
- Hand sanitizer and disinfecting wipes will be available for participants; players will be expected to sanitize upon entry on to the field
- Social distancing must be observed when waiting to check-in or waiting to take the field
- Drop off at the designated entrance, pick up at the designated exit.
- **NO spectators are allowed; ONLY players and coaches will be allowed on the field and inside the facility**
 - o Parents can drop players off and then must leave once the session has begun.
- Backpacks are not allowed inside the facility. Players are expected to come dressed and ready for the session with all appropriate equipment and a water bottle/sports drink. Sling packs or a small shoulder bag/tote (such as a reusable lunch tote) are acceptable.
- Players may not congregate before or after the session
- Carpooling is not recommended

During training session, practice, or game:

- Face coverings:
 - o Participants (players, coaches, referees, and other staff) will be expected to wear face coverings at all times. Face coverings will be required when inside the facility and on the playing field whenever social distancing is not possible. Disposable masks, cloth face coverings and gaiters are all acceptable.
 - o “Mask breaks” will occur frequently. A participant can take off their face covering at a point during the session when they are at least 6ft away from another.
 - o We will utilize space outdoors whenever possible and weather permits.
 - o A participant who has a medical condition or disability such that wearing a face covering is not recommended, may not be required to wear a face covering upon providing documentation from a physician.
- Players should maintain social distance in all drill lines, on the sidelines, in the substitution area/box and during meetings or breaks.
- Handshakes, fist bumps are not permitted; sportsmanship is expected

Follow up:

- If your child presents with any illness, COVID-19 specific symptoms, or possible exposure please report to Leslie Frank at 781-710-5601, so that players, coaches, and AT's may be notified.
- According to the CDC, “Anyone who has had close contact with someone with COVID-19 should stay home for 14 days **after their last exposure** to that person.” **Any player who has had potential exposure to COVID-19 or has had close contact with a person who has tested positive for COVID-19 may not attend or participate in any Achieve Lacrosse or Mass Elite event during the 14-day quarantine notwithstanding any negative test result that may be obtained during that period.**

Additional recommendations outlined by US Lacrosse:

- **All participants should stay at home if they are feeling sick or experiencing any COVID-19 symptoms.**
- Clean and disinfect frequently touched surfaces and equipment and do not share equipment, water bottles or towels.
- Face coverings are required for staff, coaches, officials and designated adults serving as hygiene support for all practices and activities. Athletes may wear a face mask during lacrosse activity.
- Upon returning home from practice, have players shower and wipe down all gear and equipment.
